CENTRAL RECRUITMENT BOARD
5 - FEB. 1929
No. 1/2

Sir,

I have the honour to inform you that some doubt has arisen in the preparation of the " C " Statement relating to the composition of staff in the various schools and Offices of this Division.

There are instances wherein teachers or other officials are granted long leave and substitutes appointed for them as per C.R.B. rules and also teachers have been selected for Training and substitutes appointed for periods extending from 9 months to 3 years. I request you to kindly let me know as early as possible whether the composition of the staff should be given taking into consideration the substitutes who are actually working at the end of each half year or the permanent teachers who may be either on leave or under training. Again, in connection with the long or permanent vacancies, temporary appointments are made pending receipt of applications from your Office. Please let me know whether these posts are to be considered as vacant or the community to which the temporary incumbent belongs may be taken into consideration for the purpose of the statement.

I have the honour to be,
Sir,
Your most obedient servant,

for Deputy Director.

OFFICIAL MEMORANDUM.

It has come to the notice of Government that while compiling and ~~furnishing~~ the 'C' Statements required to be furnished to the Central Recruitment Board, no uniform practice is in force in the various offices. In some offices 'C' Statement is compiled with reference to the permanent incumbents of the sanctioned posts, ~~both permanent and~~ temporary, while in others the statement refers only to the persons actually holding the posts on the date of compilation of the statement, irrespective of the fact whether they have any lien on the appointments or only are entered for official convenience ~~to be as purely of acting arrangements~~ in the absence of the permanent incumbent on leave or pending advertisement.

As the 'C' Statement is prescribed with a view to reflect ~~with~~ the correct composition of the establishment of the various offices, Government consider that this object can be best ~~xxxxxxx~~ served by having two ~~duplicate~~ Statements, one showing the composition of the offices with reference only to the candidates holding the posts permanently or in the case of the ~~th~~ temporary ~~vacancies~~ posts having a lien on them, and the most recent other showing the composition of the Department with reference to men actually holding the respective appointments at the time of compilation

of the statement. They are accordingly ~~placed~~ found to direct ~~recruitment~~ that in future two 'C' Statements should be prepared ~~in duplicate~~, and furnished to C R B, one with reference to the men having actual lien upon the appointments and the other with reference to men actually holding the posts ~~on the date of the compilation~~ at the close of the half year to which the Statement relates.
